

North Hill Montessori

Before & After School Care

Our after school homework club is a welcoming and educational environment for elementary school children under the supervision of trained North Hill staff. Our highly qualified teachers are ready to help your children with any questions about their homework, and with our French teacher available in the afternoons French Immersion school children are more than welcome to reach out with any questions about their homework as well. We provide one snack during after school hours and boast a spacious green area for children to play in when weather permits. We provide:

- Supervised Homework Period
- French Homework Help
- Silent Reading
- Arts & Crafts
- Music
- Indoor and Outdoor Play

Adults who have been authorized by you in your child's enrolment form can pick them up with photo I.D. Should someone else need to pick up your child for the day, we require that you send written notice to the school to help ensure the safety and security of our students.

A respectful and orderly environment is our priority at North Hill Montessori. If a child continuously violates our guidelines, parents will be contacted and appropriate measures will be taken, up to suspension or withdrawal from the program.
